#### Note 1 - Summary of Significant Accounting Policies and Going Concern

#### A. Accounting Practices

The accompanying statutory-basis financial statements of Talcott Resolution International Life Reassurance Corporation (the "Company" or "TIL") have been prepared in conformity with statutory accounting practices prescribed or permitted by the State of Connecticut Insurance Department ("the Department"). The Department recognizes only statutory accounting practices prescribed or permitted by the State of Connecticut for determining and reporting the financial condition and results of operations of an insurance company and for determining solvency under the State of Connecticut Insurance Law. The National Association of Insurance Commissioners' Accounting Practices and Procedures Manual ("NAIC SAP") has been adopted as a component of prescribed practices by the State of Connecticut.

A reconciliation of the Company's net income and capital and surplus between NAIC SAP and practices prescribed by the Department is shown below:

#### Note 20 - Fair Value Measurements

#### A. Fair Value Measurements

The Company's financial instruments held at fair value were not material.

#### Valuation Inputs for Investments

The Company's investment manager for the Company's general account (a registered investment adviser under the Investment Advisers Act of 1940), with oversight by the Company's Investment Management Department and its Finance and Investment Committee ("FIC"), a committee co-chaired by the Chief Investment Officer and the Chief Risk Officer of the Company, estimates the fair value for financial assets held in the Company's general account based on the framework established in the fair value accounting guidance. The Company reviews its investment manager's pricing policy on a periodic basis, with any changes to be approved by the FIC. The Company reserves the right to take exception to its investment manager's pricing of a particular asset and, with FIC's approval, to adjust the price received from its investment manager for that particular asset. The following section categorizes the inputs in the valuation techniques used to measure fair value into three broad Levels (Level 1, 2, or 3):

For Level 1 investments, valuations are based on quoted prices for identical assets in active markets that the Company has the ability to access at the measurement date.

For the Company's Level 2 and 3 bond securities, typical inputs used by pricing techniques include, but are not limited to, benchmark yields, reported trades, broker/dealer quotes, issuer spreads, benchmark securities, bids, offers, and/or estimated cash flows, prepayment speeds, and default rates.

A description of additional inputs used in the Company's Level 2 and Level 3 measurements is included in the following discussion:

Level 2 The fair values of most of the Company's Level 2 investments are determined by management after considering prices received from third-party pricing services. These investments primarily include bonds.

Level 3 The Company had no securities classified as Level 3 in 2022 and 2021.

#### B. Other Fair Value Disclosures

Not applicable.

#### C. Fair Values for All Financial Instruments by Levels 1, 2 and 3

The tables below reflect the fair values and admitted values of all admitted assets that are financial instruments.

The valuation methodologies used to determine the fair values of bonds are described in the above Fair Value Measurements section of this note.

The amortized cost of cash, cash equivalents and short-term investments approximates fair value.

D. At March 31, 2022, the Company had no investments where it was not practicable to estimate fair value.

#### Note 21 - Other Items

#### C. Other Disclosures

The impact of the outbreak and continuing spread of the novel coronavirus ("COVID-19") and the related disruption to the worldwide economy continues to affect companies across all industries. While the COVID-19 pandemic did have varying impacts on components of revenue, there was no material impact on the Company's results of operations attributable to the COVID-19 pandemic. The duration and impact of the COVID-19 public health crisis on financial markets, overall economy and our operations remain uncertain, as is the efficacy of government and central bank interventions. As such, the Company continues to monitor and address potential impacts as discussed throughout this document but remains unable to quantify its impact on the financial results, liquidity and capital resources of the company and its operations in future periods.

#### Note 22 - Events Subsequent
